*Round, single leaf air volume control damper. The cylindrical body and the blade are made by galvanized sheet steel. The blade angle is manually regulated with plastic damper controller.*

DAF-ACTUATOR

-M Sa metalnim regulatorom dampera

*Regulation with metal controller*

-ON OFF 220V Regulacija električnim aktuatorom na 220V

*Regulation with electric actuator ON OFF 220V*

-ANALOGUE 24V Regulacija sa analognim električnim aktuatorom na 24 V

*Regulation with electric actuator ON OFF 24V*

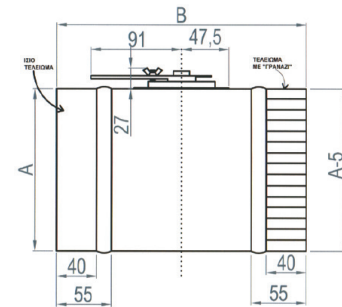

-S Sa dvostrukim lamelama i gumenim zaptivom za bolju nepropusnost vazduha

*With double blade and rubber seal for better air tightness*

A Sa električnim aktuatorom na razdaljini od 3cm od DAF-a
